RE: Endorsement of Historic Railroad Museum Project

Dear Mr. Diridon,

On behalf of the Shasta Hanchett Park Neighborhood Association (S/HPNA), I am writing to thank Ken Middlebrook for attending our annual neighborhood association meeting and to show our support for the San Jose Railroad Museum Park project.

The project is very much in alignment with S/HPNA's goal of encouraging vibrant business districts, preserving the city's history and supporting the expansion of park and activity space for residents. We feel strongly that all of these things are necessary for the long-term success of our city and this project incorporates all three elements.

On behalf on the Shasta Hanchett Board we are pleased to endorse the Historic Railroad Museum Project at the site along the Guadalupe River near Coleman Avenue.

Sincerely,

  
Jeff Rogers  
President  
Shasta Hanchett Neighborhood Association
